Signature of the PhD student :

Signature of the thesis director :

This application form contains two pages. Please attached to this application² :

A letter of motivation from the PhD student, maximum one page including a presentation of the proposed research project in the foreign lab and how this will articulate with the thesis subject of the PhD student. This letter should clearly show the expected benefits of the research stay;

A curriculum vitae ;

A report from the director of the thesis (1 page max), including a presentation of the relationship between the lab/team of origine and the host lab/team in the foreign country (please indicate if cooperations, partnership conventions exist or if a cooperation is about to start as well as the scientific interest for the PhD student and the research unit;

A letter of invitation from the lab abroad with mention of the host conditions and the dates of stay.

¹Transportation, stay, registration cost, etc.

²All the documents have to be attached to this correctly filled in form and signed by the PhD student and the director of the thesis in only one pdf file (with the following title site_lab_name_surname_mob_spi.pdg) which will be sent to the « gestionnaire de site » of the ED before the end date mentionned in the call for application.
